LETTER

Mail Stop Missing Parts
Commissioner For Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This paper is submitted in response to the Notification of Missing Requirements dated December 28, 2005 (copy attached), in the above-captioned application. That Notification indicated a shortened-statutory period for response of two months so that a reply is due by February 28, 2006.

It is noted that the Notification indicated that the Oath or Declaration of the inventors was not executed in accordance with 37 CFR 1.66 or 37 CFR 1.68. Applicants believe that a fully complying, executed Declaration was, in fact, submitted in response to an earlier Notification with a paper dated June 28, 2005. This was confirmed in a telephone conversation with Christine S. Washington in regard to the present Notification.

In addition, the Notification required the submission of a substitute "Sequence Listing" with an amendment specifically directing its entry into the application to correct certain errors in the previously submitted "Sequence Listing".

Accordingly, a substitute copy of the "Sequence Listing" in computer readable form (CRF), with a Verification Summary Sheet, together with a printout of the computer readable "Sequence Listing", is also submitted with this letter. It is believed that the content of the substitute computer readable form does comply with the requirements of 37 CFR 1.821, 1.822 and/or 1.823, as all indicated corrections have been made.

Accordingly, it is requested that the substitute "Sequence Listing" be entered into the specification.

The undersigned attorney hereby states that to the best of his present knowledge and belief, the information recorded in computer readable form is identical in content to the written "Sequence Listing" and includes no new matter.

It is believed that this constitutes a full response to the Notification of Missing Requirements and early examination and allowance of the claims is respectfully requested.

The Commissioner is authorized to charge any additional fees or refund any overpayment under 37 CFR 1.16 and 1.17 which may be required by this paper to Deposit Account No. 08-1265.

Respectfully submitted,

NIKOLAI & MERSEREAU, P.A.
